FOR IMMEDIATE RELEASE:

The Healey Werks to attend Austin Healey Conclave 2010

(June 9, 2010 Lawton, IA) Serving the Vintage Auto Industry for more than 22 years, Restoration Specialist [The Healey Werks](#) plans to attend the national [Austin Healey Conclave](#) being held in Galena, Illinois. The Austin Healey Conclave is an annual event that showcases and gathers many Austin Healeys from around the country. This year it is being held on the grounds of Eagle Ridge Inn and Resort, located in the northwest corner of Illinois, and includes 6800 acres of rolling hills and valleys.

The 2010 Conclave marks the 35th anniversary of the Austin Healey Club of America. At this event the company is planning to display a few very rare examples. This will include one Austin Healey 100/S and two Austin Healey 3000's, restored by The Healey Werks, which will be entered in the Concours judging. Also on display will be another Austin Healey 100/S, an example of historical Auto Preservation by The Healey Werks. This car is probably one of the most significant 100/S's in existence today, with an extensive and intriguing history that is arguably unmatched by any other Austin Healey. The Healey Werks will also be featuring their own designed and engineered fuel injection system in an Austin Healey 3000. At the Austin Healey Conclave in 2006, a 1965 Austin Healey BJ8 restored by the company received a score of 996.5 out of 1000, which is the highest score ever achieved at this event.

The Popularity Car Show will be held on historic Galena Main Street on Monday July 12th.
